Dear Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), applicant brings to the attention of the Examiner the documents listed on the attached Form PTO/SB/08A, and respectfully request that the listed documents be considered by the Examiner and made of record in the above-captioned application. Copies of the United States patent references listed on the Form PTO/SB/08A are not enclosed, but the non-patent references are enclosed.

Each of the enclosed documents that are listed in the attached PTO/SB/08A form was cited in a communication from a international and/or foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any

If the Examiner applies the documents as prior art against any claim in the application and applicant determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

This submission is being filed after an Office Action by the U.S. Patent and Trademark Office on the merits, but with a statement pursuant to 37 C.F.R. §§ 1.97(d). Therefore, applicants do not believe that any fee is due in connection with the submission of this paper. However, if any fee is due, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 50-2054.

Respectfully submitted,
